Dear Kenwood School of Dance Family,

It has been another incredible year of growth, dedication, and community. I am so proud of each and every one of our dancers. Your love and passion for dance inspire me every single day, and it is a privilege to witness your commitment to the art form and to one another.

First, I would like to extend my sincere gratitude to Kristi for giving me the opportunity to serve the Kenwood School of Dance as Artistic Director once again this season. I am truly humbled and grateful for the trust placed in me. It is an honor to serve this community and to help guide such a talented and passionate group of dancers.

To our KSD teaching staff—thank you for your unwavering passion and dedication. The love, patience, and hard work you pour into these dancers every day is truly admirable. This season has brought many challenges, yet you have remained committed and resilient, continuing to make KSD a welcoming home for our dance family. Thank you for being such extraordinary artists and wonderful human beings. I deeply appreciate each of you.

To our dance moms and dads, thank you for entrusting us with your precious children. Your support, encouragement, and partnership make everything we do possible. Teaching and nurturing young dancers is a special privilege, and at Kenwood School of Dance we never take that responsibility for granted.

And finally, to my dance babies—for their remarkable resilience and patience throughout this season; your ability to remain dedicated, adaptable, and positive through every challenge is truly inspiring. Your hard work, and artistry are what bring the magic to the stage. This show and this season would not be possible without your passion and commitment. You inspire us all, and I could not be more proud of you.

I would like to extend a special thank you to Keith Emroll, Nettie Napravnik, Sarah Ogeto, Michelle Reid, our arts partners Aaron Frankel & Rodfei staff, Angela Habr & HPNC staff, Pastor J at Ellis Church & Youth Company parents for all that you have contributed to our dancers this season.

Lastly I would like to thank my family and friends for your support. Special Thank you to my partner in life Albert. You are my rock. I love you.

Love,
Miss Ariel
